Serial No. 1

BRIEF ABSTRACT OF LETTER.

Referring to the proposed construction of the "Installation Chattram" at Saklespur, requests sanction to an estimate amounting to Rs 2899/- for the main building and a kitchen. As to the District Officer's proposal to contribute a sum of Rs 400/- from their funds towards the cost of the work.

NOTES AND ORDERS.

For a brief history of the so-called Installation Chattram at Saklespur attention is respectfully invited to the office notes on L.B. 64-06. The original idea was to raise a building at a cost of Rs 4,000, met as follows:

Notes—First sheet.

Serial
No.

follows:-

	Rs
Private subscriptions -	6000
Contribution from State Rs -	6500
do from M.C. Rs -	1500
Total Rs	14,000

Taken on, that idea was abandoned on financial grounds, and the estimate limited to the following works:-

(a) main building -	2537 rupees
(b) 1st kitchen -	937-0-0
(c) 2nd do -	937-0-0
(d) stable -	666-0-0
(e) latrine -	148-0-0
(f) compound wall -	966-0-0

Total Rs 6183-0-0

In April 1906, the Dy. Commr states that a sum of Rs 2735-8-8 has been actually collected by way of subscription and that it was not possible to realize more, and applies for a grant of Rs 3500/- from State funds to start the work. Govt. however observes that the site having been granted free of cost and the work also started in reliance on the promised subscriptions, the promisees were bound to fulfil their promise and pay up some and

thereby

Serial
No.

directed him to commence the main building and the latrine room and furnish them at an outlay of Rs 2685/- out of the realized subscriptions and to defer the construction of kitchen and stable till the promised subscriptions were realized. It was also added that the compound wall might be erected if the Municipal Board were prepared to pay their contribution. Now the present letter from the Dy. Comr. is with reference to that order. He states that the Committee appointed to collect subscriptions considers that the main building without a kitchen is not useful to the traders and that the Municipal Board of Sahasapur agreeing with the Committee have resolved to contribute a sum of Rs 1109/- to cover the cost of these two items of work as detailed hereunder:-

1. Main building (as per revised estimate)	-	Rs 2695
2. Kitchen	-	1804
	Total Rs	3899

Deduct amount of subscriptions (including materials already collected) } 2790

Balance reqd - 1109

Serial
No.

The Municipality is in a precarious condition its last closing balance for the current year (1906-07) being estimated to be more than the prescribed minimum by Rs. 3836/- and can well afford to pay the contribution of Rs. 400/- But information on the following points seems necessary before the Board's proposal can be accepted

(1) What is the ~~last~~ ^{in each} amount of subscriptions available, and whether it can be credited to Municipal Funds so as to admit of the present estimate being sanctioned and the whole work considered a Municipal work!

(2) What is the cost of the materials collected and whether, if the work is given out on contract the contractors will use these materials paying for them that amount ~~and~~

(3) What ~~are~~ arrangements are proposed to be made for the labours which was ordered to be put in hand simultaneously with the main building

~~Subsidiary structure and~~

(4) Why the Dist. Board also should not contribute then make

Serial
No.

as the Chattram is purely for the
benefit of the travelling public

Submitting a report con-
- cerning the construction of
the Installation Chattram
at Saklespur.

MC 39-07

Dated Hassan, 17th June 1908.

From,

P. R. W. Wetherall Esq.
Deputy Commissioner
and President of Municipalities.
Hassan District.
Hassan.

To,

K. S. Chandrasekhara Iyer Esq. B.A. B.L.
Secretary to the Government of this -
Highness the Maharaja of Mysore,
General and Revenue Departments,
Bangalore.

Sir,

With reference to Government
Proceedings no: 981-3 dated the 2nd August
LB 411-06-2
1907, directing that the construction of the
main buildings of the Installation Chattram
at Saklespur may be undertaken so that
the cost may be met from the amount of
subscriptions already collected etc, I have
the honour to state that on receipt of
the above order it was communicated to
the Assistant Commissioner, Saklespur

Sub Division

2

Sub Division with a view to needful steps being taken in the matter after consulting the Committee appointed for the collection of subscriptions for the purpose.

2. Accordingly at a meeting of the — above Committee members held at — Saklespur, the order of Government's ~~proposition~~ was read out and explained to them by the Amildar of the Marjara-bad Taluq. The members were of opinion that the main building without a — Kitchen would not be useful to travellers and as the funds already collected were not sufficient to meet the cost of constructing — both buildings, they resolved that the Sakle-pur Municipality be requested to fulfil the promise once made by that body.

3 In the meanwhile, the Committee got the estimates (which had been previously prepared by the Work Inspector) checked by the Sub Assistant Engineer — at Saklespur, who after carefully going through the plan and estimates —
found

3 found it necessary to make slight-changes in the items of work of the main building and also in that of the - Kitchen. The change thus effected resulted in an increase of Rs 425/- over the old estimates. The total cost of the two buildings as per revised estimates, — amounts to Rs 3899, whereas the amount actually available (including the ma-terials already collected) is Rs 2790/-. Thus it will be seen that a sum of Rs 1109/- more is required to meet the cost of the estimates for the main building and the Kitchen

4. When this matter was placed before the Saklespur Municipal Board, they passed a resolution to the effect that since the construction of a Kitchen in addition to the main building is - very necessary, the amount of Rs 1109/- might be given as a contribution from the funds of the Saklespur Municipality and that sanction of Government might

might be obtained to the same. 4

5. I beg to state that this sum of —
Rs 1109/- can be met out of the provision of
Rs 2500/- sanctioned in the budget for 1908-09
under ^{the head of} VII Public Works, of the Saklespur
Municipality.

6. In these circumstances I request
that you will be so good as to obtain the
sanction of Government to the grant of
Rs 1109/- as contribution from the funds
of the Saklespur Municipality towards
the cost of construction of the Installation
Chattram at Saklespur. As the con-
-struction of these buildings is to be super-
-vised by the Revenue Department, since
the Saklespur Municipality pays a -
contribution, I request that the enclosed
estimates may be kindly sanctioned and
returned to this office at an early date.

I have the honour to be,

Sir,

your most obedient servant.

Q-3

Sir,

With reference to para 3 of Government
Proceedings no. ¹⁰⁴⁸⁻⁹ 39-07-2 dated the 29th July 1908,
requesting the submission of a report as to
what arrangements are proposed to be
made for the latrine and why the District
Board should not also contribute in
towards the work and undertake to
build the latrine and the compound
wall, at an aggregate cost of Rs 114/-, for
the Installation Chattram at Saklespur.
I have the honour to state that when

P

9
this matter was placed before the District
Board, at the meeting held on the 8th Aug
August 1908 a resolution was passed
to the effect that owing to the present
low ebb of District Funds the cost of
constructing the latrine only, be defrayed
from District Funds and the erection of
the compound wall be deferred for
the present. A copy of the resolution
is enclosed.

2. I beg to add that in pursuance
of the resolution of the District Board
steps will be taken to make provision
in the ensuing years District Funds
Budget. Since it is not possible to
find provision in the current year's
District Funds Budget.

I have the honour to be,
Sir,

Your most obedient servant
